New/Used Tanks & Other Containers

Kerry-ITS has the assets, people and IT infrastructure to support your tank requirements. With our integrated tank solutions, we are committed to comply with your schedule.

Based in Singapore, Kerry-ITS has become the leading depot with its core business in cleaning and repairing of ISO tank containers in Asia.

By leveraging on our long and successful track records in the industry for 30 years, together with our combined experiences and resources, Kerry-ITS is well-positioned to provide organizations with enhanced services and progressive satisfaction.

Our integrated tank solutions include Tank Depot Services, Tank Parts Products, Depot Management Software, Tank Training, Projects and Consultancy, and Supply of New or Used Tank Containers.

Currently, we have various units of used tank containers for sale, available for viewing in our Singapore RHO depot or other depots in Asia. Please contact us if you have used tank containers for sale, we can collect from anywhere worldwide.

We also take in scrap tank containers. Please contact us for a quotation without any obligation.
