Services

Tank Training, Projects & Consultancy

Kerry-ITS has the assets, people and IT infrastructure to support your tank requirements. With our integrated tank solutions, we are committed to comply with your schedule.

Based in Singapore, Kerry-ITS has become the leading depot with its core business in cleaning and repairing of ISO tank containers in Asia.

By leveraging on our long and successful track records in the industry for 30 years, together with our combined experiences and resources, Kerry-ITS is well-positioned to provide organizations with enhanced services and progressive satisfaction.

Today, Kerry-ITS has expanded our depot services to a total of 5 locations in Asia: Singapore, Vietnam (Ho Chi Minh City), Thailand (Laem Chabang) and Mainland China (Shanghai and Tianjin).

Our services include cleaning, repairing, refurbishment, modification, inspection, steam heating and emergency response. We also provide customized services that are based on your requirements.
