Transshipment Services

Kerry-ITS has the assets, people and IT infrastructure to support your tank requirements. With our integrated tank solutions, we are committed to comply with your schedule.

With our dedication to be a leading one-stop integrated tank container solution's provider, **Kerry-ITS** has began a strategic partnership with **Sea-Shore Transportation Pte. Ltd.**, a leading integrated logistics and freight service provider established since 1972, with regional supply chain management, in Singapore, with effect from 15th Aug 2017.

Our strategic intent is to work on extending transshipment capabilities through jointly developed solutions that bring integrated solutions to our customers for improved speed efficiency and cost-effectiveness tank container management, providing our customers with **Total Integrated Logistics Solutions**.
